## Queen's Palace Hotel

★☆☆☆☆

I recently stayed at this hotel and it was incredible. Incredibly bad! There was no transport available from the airport and so we had to take a taxi which cost an unbelievable amount. The service from the receptionists was, I suppose, acceptable, but not very friendly.

When we first opened the door to our bedroom there was an unbearable smell and we insisted on moving to another room. The beds were the most uncomfortable I have ever slept in and the decoration was really horrible. Our room was supposed to have 'sea view', but the sea was only visible if you stood on a chair!

We only ate in the hotel restaurant once because the food was inedible — I wouldn't give it to my dog!

It certainly wasn't the most enjoyable holiday I've ever had!
